

Please give us your opinion about the following attitudes:

I Approve it

I am not sure

I don't Approve it

1- My colleague stepped on my foot and I kicked him.

2- I went to the market and didn't get the correct change. I got an extra 2,00 from the market's employee, and decided to keep it for myself.

3- My mom felt tired and had migraine. I asked her if she wanted any help with the house duties.

4- The teacher reprimanded me, but the one who was shouting in class was sitting at the back. When she turned around, I showed her my tongue.

5- I put food on my plate, but couldn't eat everything. I decided to throw it in the bin.

6- I ate a candy and place the paper in my pocket because I didn't want to throw it in the street.

7- My colleague offended my mom and I decided to stay quiet; I didn't respond.

8- The sun was quite strong and I realised my dog didn't have any water to drink. I decided to take his pot and fill it in with fresh water. I placed it in the shadows to keep it fresh.

9- I saw my colleagues breaking the branches of the trees in the park and told them not to do that.
